Dear Association Members and Friends,

WELCOME to the Randolph Friends Meeting House and Cemetery Association. Our biannual meeting has been scheduled for **SATURDAY, JUNE 9, 2012, AT THE MEETING HOUSE** at 11 AM. We hope that many of you will plan to join us as we make plans for the future.

The mild winter has brought an early spring to the meeting house grounds as you can see from the following photos:

The windy weather and heavy storms during the late fall and winter caused damage to the roof shingles. Paul Basile has agreed to repair the shingles as well as to clean and treat the roof while the scaffolding is in place for \$3,600. One thousand dollars has been donated to enable the project to go forward.

FHMCA MEMBERS - October, 2011

The Association continues to seek your support with fund raising ideas as well as financial contributions to continue the preservation work. The window work is now winding down with all sashes primed and ready for stain.

There are at least 33 Quaker houses of worship in New Jersey. Although some of the meetings were established before 1758, only the Dover Randolph Quakers meet in the original building. The major restoration work has been completed. Please give generously to the continuing maintenance of the building and grounds. A special envelope is enclosed for your contribution.

We are looking forward to your taking an active part in the future plans for this historic landmark. **Please join us on Saturday, June 9, 2012 at 11:00 AM** when our biannual meeting will be held at the meeting house. The Agenda for the meeting is attached.

Sincerely,

James T. Brotherton
President
